ARTICLE III

SECTION 3.01 - GOVERNANCE. The Board of Directors is responsible for setting priorities and planning the BID's work. It is responsible for the annual audit and for an annual report of BID activities. The Board selects any BID employees, sets staff compensation and oversees the performance of the principal employee. The Board Chair selects from among its members the chairs of program and standing committees.

A. There will be thirteen voting Directors on the Board of Directors, twelve of whom will be elected by the Corporation members.

1. At least fifty percent of the Directors elected by the Corporation members shall be owners of businesses located within the BID (and shall be eligible to serve whether or not they own property paying a BID assessment).
2. The balance of the Directors elected by the Corporation members shall be comprised of property owners paying BID assessments.
3. The thirteenth Director shall be a representative of a non-profit institution within the BID and shall be selected by the twelve Directors elected by the Corporation members.
4. Within the group of thirteen voting Directors, there should be at least one representative from each of the two heavily concentrated commercial blocks – the 6300 block of Germantown Avenue and the 7100-7200 blocks of Germantown Avenue.

B. The thirteen voting Directors shall elect two non-voting Directors, who shall be representatives from the Mt. Airy USA and the City of Philadelphia.

SECTION 3.02 - TERM OF OFFICE. Only members of the Corporation have standing to elect the twelve voting Board Directors to be elected by Corporation members. Upon their election, these twelve Directors shall be divided into three equal classes by the Board Chair. The term of office of the first class shall expire at the next annual meeting of the Corporation after their

selection; the term of office of the second class shall expire at the second succeeding annual meeting; and the term of office of the third class shall expire at the third succeeding annual meeting. At each subsequent annual meeting, those Directors elected by Corporation members shall be elected for terms of three years by vote of the Corporation members. The non-profit institutional Director shall be elected annually for a term of one year by the twelve other Board members at a regularly scheduled or duly called meeting of the Directors for which a quorum has been achieved. No Director may serve for more than six consecutive years. After serving for six consecutive years, a Director shall not be eligible to serve again until at least one year has elapsed. In the event that a Director reaches the six-year limit prior to the end of a three-year term, the Director shall be deemed to have resigned upon reaching the six-year limit, and the resulting vacancy shall be filled pursuant to Section 3.03.

SECTION 3.03 - REMOVAL OF DIRECTORS. At any meeting of the Directors, duly called and at which a quorum is present, the Directors may, by a 75% vote, remove with or without cause any Director from office and may elect a successor to serve for the balance of the term of such removed Director. Board members must remain current in their assessments and are required to enter into a social contract wherein they agree to actively pursue the goals of the BID. Furthermore, they are required to attend at least 75% of the board meetings. Failure to adhere to these requirements may result in removal from the Board. Vacancies occurring on the Board, for any reason, may be filled by a vote of a majority of the voting Directors present at a Board meeting. A Director elected to fill a vacancy shall be elected to hold office for the unexpired term of his/her predecessor.

SECTION 3.04 – MEETINGS. The Annual Meeting of the Corporation shall be held each year at a time and place established by the officers. The Secretary (or the Executive Director) shall cause to be mailed to every member in good standing at his/her or its address as it appears on the membership roll book of the Corporation, a notice stating the time and place of the Annual Meeting. Regular meetings may be scheduled at any meeting by the Board of Directors, and no notice of place, day and hour of regularly scheduled meetings need be given to any Director. Special meetings may be called by the Board Chair. Notice of the place, day and hour of such special meeting shall be given to each Director at least three (3) days before the meeting, by delivering the same to him/her personally, or by leaving the same at his/her residence or usual place of business, by contacting him/her by telephone, or in the alternative by mailing such notice at least six (6) days before the meeting, postage prepaid, and addressed to him/her at his/her last known address. Any notice of a special meeting shall state the business to be transacted. Meetings may be conducted by conference call if all “present” can hear and participate. E-mail notification may be substituted for notification by mail.

SECTION 3.05 - QUORUM. A majority of the voting membership of the Board shall constitute a quorum for the transaction of business. Except in cases in which it is by statute, by the Certificate of Incorporation or by the By-Laws otherwise prohibited, the vote of a majority of such quorum at a duly constituted meeting shall be sufficient to pass any measure. In the absence of a quorum, the Members present by a majority vote and without notice other than by announcement may adjourn the meeting from time to time until a quorum shall attend. At any such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified. No proxies may be accepted.

SECTION 3.06 – BUDGET APPROVAL. Upon approval by the Executive Committee of a proposed annual budget, members shall be invited to a meeting at a specified place and at a time at least two weeks following the notice. At this meeting, public comment on the condition of the

district, on the need for changed services and on the proposed budget will be solicited. A proposed budget, including any modification made by the voting members following this public meeting, may thereafter be adopted by the affirmative vote of a majority of all voting members of the Board of Directors.

SECTION 3.07- COMPENSATION. No part of the net earnings of the Corporation shall inure to the benefit of, or be distributable to its members, trustees, directors, officers or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of section 501 (c)(3) purposes.
